Your Hire Agreement - An Explanation

In order to ensure that you understand the features of your hire agreement (the “**Agreement**”), we, Mitsubishi HC Capital UK PLC trading as Novuna Business Finance have requested that your broker/introducer provides you with this written overview of the features of hire before you sign the Agreement. In addition to this summary you will be provided with a Pre-Contract Information Sheet. Please review this information carefully and consider whether hire is suitable for your purposes.

What is the finance product?

A Fixed Period Hire Agreement provides you with access to Goods for use in your business without the upfront costs. You select the Goods and we will pay for them outright. You will hire the Goods from us by paying regular rentals for a fixed period. You will not own the Goods at the end of the Agreement. At the end of the Agreement you have to return the Goods to us.

What will I have to pay?

You will need to pay an Advance Payment and Documentation Fee when entering the Agreement.

	Rental (excl. VAT)	Rental (incl. VAT)
Advance Rental	£	£
Documentation Fee	£	£

Followed by Subsequent Rentals of:

No.	Frequency	Rental (excl. VAT)	Rental (incl. VAT)
		£	£
		£	£
		£	£
		£	£

You must maintain the Goods and keep them in good working order. Charges may apply for any damage outside of fair wear and tear.

What happens if I miss or make late payments?

If you fail to make payments, we will share this information with the credit reference agencies, which could make it more difficult for you to obtain credit in the future.

Missing payments could lead to the goods being repossessed and legal action being taken against you. You may have to pay the costs of such proceedings.

What happens if I change my mind?

Once signed, you will not have the right to cancel the Agreement.

What happens at the end of my Agreement?

The Goods should be returned to us at your cost within 7 days of expiry and we will confirm where they should be returned to. Alternatively it may be possible for us to arrange for the Goods to be collected from you, however this will be at your cost and you will remain responsible for the condition and safety of the Goods until they have been returned.

Will the Credit Broker/Intermediary be paid a commission?

If the you were introduced to us by a broker or credit intermediary (the **Broker**), we will pay them a commission for the introduction, the Broker has discretion to determine the total amount of commission within set parameters which will impact the total amount you pay. Finance and Leasing Association (FLA) checklist for business finance customers

The FLA recommend that customers taking out business finance agreements follow these steps:

1. Read your business finance agreement carefully before signing it. Never sign a business finance agreement which is not fully complete. Retain copies of all documentation.
2. Ensure that the final contract:
 - (a) corresponds with any verbal or written quotation on the rental amount and period of hire;
 - (b) accurately reflects what you are agreeing to pay for, including any maintenance or services included in the repayments; and
 - (c) accurately describes the equipment you are expecting to receive (e.g. whether it is new or used) and that its working life is appropriate to the length of the finance agreement.
3. Make it clear who has the authority within your own organisation to sign the agreement.
4. Make sure you understand and agree with all terms and conditions of the business finance agreement and, if you are unsure, ask for these to be explained or seek advice.
5. Make sure you understand all the costs involved and whether these will change during the course of the business finance agreement.
6. Check that the supplier of the equipment is reputable.
7. Understand whether there are any notice period or settlement terms required to terminate the agreement.
8. If there is a maintenance or service contract which is separate to the finance agreement, check that the length, start date, notice period and settlement terms of the two agreements is the same, and if not, that you are happy with this.
9. If the name of the leasing company contracting with you is not shown on the agreement, ensure that you are informed at the earliest possible time.
10. Check whether the funder is a member of the FLA, as all asset finance members adhere to the FLA Business Finance Code.
11. If any amendments are made to the business finance agreement or a further agreement is required to replace an existing agreement, do not sign it until you have made the same checks as you did for the original agreement.
12. If a new business finance agreement includes an element of refinancing from a previous agreement with a different provider, check that the settlement figure provided by the former provider matches the refinancing figure used by the new provider.

Use of Your Information

Credit Reference Agencies

In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs"). We may also make periodic searches at CRAs to manage your account with us.

To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information.

We will use this information to:

- Assess your creditworthiness and whether you, your financial associate(s), or your business can afford to take the product;
- Verify the accuracy of the data you have provided to us;
- Prevent criminal activity, fraud and money laundering;
- Manage your account(s);
- Trace and recover debts; and
- Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a financial associate or business partner (e.g. a personal guarantor or another director or partner of your company or partnership), we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application.

CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail at any of these three links. Each link will take you to the same CRAIN document:

- Equifax www.equifax.co.uk/crain
- Experian www.experian.co.uk/crain
- TransUnion www.transunion.co.uk/crain

Identity verification and fraud prevention checks

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found by visiting www.cifas.org.uk

You can find further information about how we collect, use and disclose personal information about you by searching "privacy policy" on our website www.novuna.co.uk/business-finance/privacy-notice or by emailing us at customerservice@novunabusinessfinance.co.uk or calling us on 03433 519 322 and requesting a copy of our "privacy policy".

 - (i) you have supplied information under the Agreement which was incorrect at the date of your signature; or
 - (j) you allow any distress or execution to be levied against any of your assets or the Goods; or
 - (k) you do anything (or omit to do anything) which in our reasonable opinion may prejudice or jeopardise the Goods and/or our rights of ownership in it; or
 - (l) in our opinion, there occurs a material adverse change in your financial or business position; or
 - (m) there is any change in your control, ownership or shareholding or in that of your holding company from that existing at the Date of the Agreement; or
 - (n) if a guarantor of the Customer's obligations under the Agreement is no longer connected with the Customer in any capacity, ceases to hold their existing position in relation to the Customer or otherwise discontinues their role as a guarantor; or any guarantee of the Customer's obligations under the Agreement otherwise falls away for any reason; or
 - (o) you or if you are a company, any person with a controlling interest in you is, in our opinion, involved in an activity that may bring our name into disrepute;

and the happening of any of the foregoing events will be considered a repudiation of this Agreement, indicating that you no longer intend to keep to the Agreement, and we will be entitled, after giving you any required notice, to end the hiring.

9. When you may end the Hiring

- 9.1 Provided you are not in breach of this Agreement, you may end the hiring under this Agreement during the Fixed Period by giving us three months written notice, such notice to expire at the end of any payment period. On that date you will have to both return the Goods in accordance with Clause 11 and pay us any sums that would have been payable by you under Clause 10 if we had ended the hiring under Clause 8 (together with any VAT due).

10. What happens when the hiring ends

- 10.1 When the hiring under this Agreement is ended early under Clauses 7, 8 or 9, you must pay to us:
- (a) all arrears of Rentals and other sums due to us at the date of termination, together with any interest, costs, charges and expenses which have been incurred by us under this Agreement;
 - (b) any costs we may incur in relation to the Goods including any relating to insurance, transport, storage and restoring the Goods to good working order and condition;
 - (c) compensation for our loss of income under this Agreement equal to the sum of the Rentals which would, but for termination, subsequently have become payable during the Fixed Period less a discount for early receipt at a rate of 2% per annum from the date of termination to the date each Rental would have become payable but for the ending of the hiring; and
 - (d) if the Goods are not returned to us within 14 days after the end of the Agreement, a sum equal to the residual value that we anticipated we would obtain on re-sale of the Goods at the end of the Fixed Period.

11. Return of Goods

- 11.1 At the end of the Fixed Period (or on earlier termination) you will, at your own cost, return all items of Goods to us at such a location as we may notify to you. We may arrange for any item to be collected from you, in which case you will pay us any expenses that we incur in doing so. You will be responsible for both the condition and safety of the Goods until the Goods are returned to us.

12. Software and Maintenance

- 12.1 If software or maintenance is included as part of the hiring under this Agreement, the maintenance provider or software licensee will be the "Provider". You will arrange directly with the Provider the grant of any software licence and observe the terms and conditions of such licence (Software Licence) and agree directly with the Provider any maintenance that you require.
- 12.2 As the Software Licence is arranged directly between you and the Provider, at no time will we become liable for any losses arising out of your inability to obtain/use and/or maintain the software.
- 12.3 If you wish us to collect the payments due under a Software Licence and/or a maintenance agreement, then such payments will be collected by us at the same time as the Rentals due under this Agreement and we shall pay the Provider the payments you pay to us. If we are unable to collect from you any payment, we will not pay the Provider, who may then withdraw or withhold its Software Licence and/or maintenance services.
- 12.4 If the Provider increases the cost of the Software Licence or Maintenance Payments, we shall collect the increased amounts from you with the Rentals. We will give you reasonable written notice of any change before it takes effect.
- 12.5 If we collect any payments in respect of the Software Licence and/or maintenance agreement, we do so solely as the Provider's agent, and will not be responsible for providing such a licence and/or maintenance ourselves: you will continue to pay the Rentals to us even if the Provider does not fulfil its obligations.
- 12.6 You agree that we shall be entitled to apply amounts received from you (a) firstly towards any VAT (b) secondly towards the Rental (c) thirdly towards any other sums due to us and (d) finally to the Provider.

13. Compensation

- 13.1 You shall compensate us for any amount incurred by us as a result of your failure to perform your obligations under this Agreement.

14. General

- 14.1 Expenses: You will pay on demand the amount of any expenses (including but not limited to legal fees) that we incur in recovering possession of the Goods or in enforcing the terms of this Agreement.
