POSITION HELD:

When you are inspecting the goods you are our eyes and ears and we do rely on the information you provide. To give us enduring evidence **when possible** we would like the photos to:

- Be date and time stamped (this is not always possible on a smartphone)
- Clearly show the serial number and its location on the asset
- Provide some context of the site and the asset
- Show each side of the asset
- Show the entrance to the site

Tomorrow. Together
