

Location questionnaire

Your lender will use and rely on your answers in this questionnaire when processing your application.

NB: Please note Novuna Business finance will not be accepting applications that fall within the Northern Ireland Protocol but we do require the questions below to be answered. An applicant will be a NI Applicant if it answers "yes" to both questions, then the subsidy act would apply but Novuna are currently unable to facilitate transactions in Northern Ireland.

If the response to these 2 questions indicates that the Borrower is outside the scope of the Northern Ireland protocol, then no further questions need to be answered.

- 1. Is your business involved in the manufacture or sale of goods or does it operate in the Northern Ireland Wholesale Electricity Market (or have plans to start manufacturing or selling such goods or to operate in the Northern Ireland Wholesale Electricity Market in the next three years)?**

If the answer is yes, go to question 2

If the answer is no, then the Subsidy Control Act will apply.

- 2. Is your business (this is the legal entity proposing to borrow the GGS facility) established or registered in Northern Ireland?**

If the answer is yes, then European State aid rules will apply.

If the answer is no, then the Subsidy Control Act will apply.

Note: that if your main place of business is in Northern Ireland, but the entity intending to borrow the GGS facility is established in Great Britain and intends to apply the proceeds of the GGS facility in Great Britain, then the Subsidy Control Act will apply.
